CQ Researcher

**CQ Researcher** provides overviews on current issues.

These issues tend to be topics that are political, social, technological, economic, or health-related.

Each **CQ Researcher** report includes:

- background information
- charts, tables, and graphs
- pro and con (opposing) viewpoints from experts
- recommended additional reading

To access **CQ Researcher**:

1. go the Rod Library website (google: UNI Library)
2. click on the link Databases A-Z
3. choose **CQ Researcher** from the very long list of databases
