LexisNexis – Getting to the News

LexisNexis is the largest news database – but it also contains huge quantities of legal and business information (data, laws, court cases).

To get to LexisNexis and to focus LexisNexis on searching just news articles …

- Go to the UNI Rod Library website.
- Click on Databases A-Z
- Click on LexisNexis Academic
- Once you are on the LexisNexis website click on the Search by Content Type drop-down menu and change the setting to All News.

STEP 1
